USPTR Travels to Asia

One of the stops in Asia was on the island of Bali. The USPTR hosted the USPTR/Garuda Indonesia Tennis Tournament & Symposium, September 11 - 15th in Bali, Indonesia. This inaugural event brought together many of the brightest stars in tennis teaching and coaching with exciting lectures and presentations on the latest in junior development, sport science, drills, programming and much more!

At left, Dennis Van der Meer gives an on-court presentation to the coaches who came from all over South East Asia and even as far away as Canada and Austria. *More on page 10.*
